

Fleming SAC

Where your journey thrives on real connections and experiences beyond the classroom.

We're here to spark action, elevate your voice, and build a community where every moment matters.

HOW WE'LL GET THERE

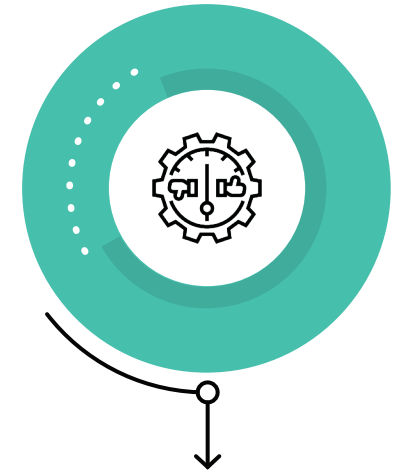

THE PLAN

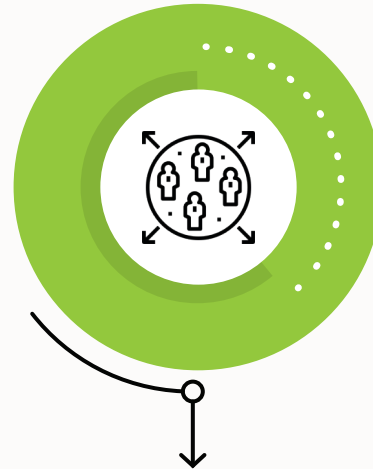

Develop and Enhance Partnerships

Strengthen ties with college administrators, engage the community, and empower our board and staff

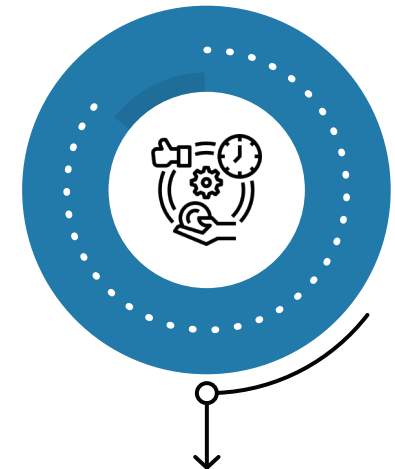

Organizational Effectiveness

Cultivate expertise within our team, identify and close skills gaps, and actively pursue leadership development opportunities.

Build Capacity

Set standards for program delivery, create a cycle of continuous improvement, and empower students to advocate for themselves.

Organizational Efficiency

Review governance policies, establish standard operating procedures, and leverage new technology for greater efficiency.

Mission

To enhance satisfaction and success by providing a variety of services that will assist in shaping campus life.

Vision

Instilling an inclusive community by empowering students through advocacy and support.

Values

Welcoming students into a safe, respectful and confidential setting.
